SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97, applicants hereby make the documents listed in Appendix 1 attached hereto of record in the above-identified patent application.

These documents (as well as supporting trial transcripts and trial exhibit evidence) are listed on the accompanying Form PTO/SB/08 (submitted in duplicate) and copies are provided herewith.

The documents in Appendix 1 are of record in the litigation entitled eSPEED, Inc. et al. v. BROKERTEC USA, L.L.C. et al., D. Del., Civil Action No. 03-612(KAJ) (hereinafter "the eSPEED litigation"). The eSPEED litigation involves U.S. Patent No. 6,560,580, which is a division of related U.S. Patent No. 5,905,974 and in which the Defendants have asserted that certain claims of the '580 Patent are invalid and/or unenforceable by reason of alleged inequitable conduct.

As set forth in the Supplemental Information Disclosure Statement dated June 8, 2005, a trial in the eSPEED litigation was held on February 7 to February 17, 2005. A jury verdict as to certain issues, including invalidity, was rendered on February 22, 2005. Five invalidity defenses pertaining to claims 20-24 of the '580 Patent were submitted to the jury: anticipation, obviousness, nonjoinder of inventors, misjoinder of inventors and adequacy of written description. The jury returned verdicts for the patentee as to all of these issues except adequacy of written description, upon which it returned a verdict for the Defendants. Both sides filed motions for judgment as a matter of law, all of which were denied on December 5, 2005. Other issues, including inequitable conduct, were reserved to the Court for decision. On February 22, 2006, the Court issued Post-Trial Findings of Fact and Conclusions of Law finding for the

Defendants on the inequitable conduct issue, and holding the '580 Patent unenforceable.

Appendix 1 hereto is a set of post-trial briefs, oral argument transcripts and court opinions in the eSPEED litigation. Some of the Defendants' briefs were submitted with the Information Disclosure Statement dated June 27, 2005, but are included herein for completeness and convenience.

Appendix 2 hereto comprises the portions of the transcript of the trial in the eSPEED litigation that are cited in the Appendix 1 materials. A table showing where each excerpt is cited in the Appendix 1 materials is included.

Appendix 3 hereto is a set of the Plaintiffs' exhibits introduced during the trial in the eSPEED litigation that are cited in the Appendix 1 materials. A table showing where each excerpt is cited in the Appendix 1 materials is included.

Appendix 4 hereto is a set of the Defendants' exhibits introduced during the trial in the eSPEED litigation that are cited in the Appendix 1 materials. A table showing where each excerpt is cited in the Appendix 1 materials is included.

Final judgment was entered in the eSPEED litigation on April 3, 2006. Applicants expect to appeal the aforementioned rulings. Applicants will assert on appeal, inter alia, arguments which can be found in their Opening Brief in Support Of Motion For Judgment As A Matter Of Law Or, Alternatively, For A New

Trial, April 4, 2005, their Reply Brief In Support Of Motion For Judgment As A Matter Of Law Or, Alternatively, For A New Trial, June 27, 2005 and their Proposed Findings Of Fact And Conclusions Of Law, May 23, 2005. Each of these documents is included in Appendix 1.

It is respectfully requested that these documents be: (1) fully considered by the Patent and Trademark Office during examination of this application; and (2) printed on any patent which may issue on this application. Applicants request that a copy of Form PTO/SB/08, as considered and initialed by the Examiner, be returned with the next communication.

Applicants hereby authorize the Director to charge \$180.00 in payment of the fee pursuant to 37 C.F.R. §1.17(p) to Deposit Account No. 06-1075, Order No. 000718-0007. The Director is also authorized to charge payment of any additional fee that may be due, or credit any overpayment, in connection with this Second Supplemental Information Disclosure Statement, to Deposit Account No. 06-1075, Order No. 000718-0007. A duplicate copy of this Supplemental Information Disclosure Statement is enclosed herewith.

Consideration of the foregoing in relation to this
patent application is respectfully requested.
